Agenda Items

- Many thanks to the staff and wonderful RE teachers who stepped up and filled in beautifully when Judith was out with a health challenge.
- Our children/youth enjoyed decorating jack-o-lanterns for our congregation members. We raised \$248.00 for music and RE from donations from the adults who took a jack-o-lantern home with them.
- Our COA youth did a wonderful job and were well received by the congregation when they read their credos at the church service on Oct. 21.
- Guest at Your Table boxes will be given out to the children and adults at the Nov. 18 church service. Proceeds will go to help migrant families fleeing their home countries due to poverty and violence in their home countries.
- Mittens for the mitten tree will be collected through December. The mittens and gloves will be given to the homeless adults and children at reStart.

Adjourn: Meeting ended at 1:30 pm.
