

Religious Education Team Meeting

November 11, 2019

Team Members: Joyce Jonasson chair, Nelson Maurice, Raegan Buatte, Rebekah Brennan, Bernie Brennan, Cynthia Butcher, Tori Jonson, and the Rev. Judith Cady, minister of religious education.

Agenda

- Our jack-o-lantern carving and parade was a great success in October. The adults made generous donations and enjoyed taking home a jack-o-lantern decorated with love by an All Souls child.
- Our annual mitten tree will be in the lobby from November 10 through December 8. We want to be sure our gifts to the residents of reStart reach the families who need them well before Christmas. Some donations will be added to the Christmas store, where residents can shop for gifts for their families. Some will go directly to children and adults who need them immediately. We need warm gear for babies, kids of all ages, and adults who are working or going to school. reStart's goal is to help every family they work with find a permanent home and a reliable income. So mittens, gloves, hats and scarves all help the kids get safely to school and the parents to work or to training.
