- Our children are invited for a special day of celebration and fun at All Souls on Sunday, September 15. Our favorite storyteller Brother John will share stories reflecting our Unitarian Universalist values. He will bring his drum to welcome us back to the new school year with music and joy!
- Our middle school and high school youth are always happy to be of service at All Souls. On Sunday, September 15, we are asking our youth to help prepare for our annual Used Book Sale. Proceeds from the sale will go toward purchasing a new sound system.
